

Student counselling

The procedures before, during and after your studies

- The applicant's application is accepted by the academy
- The academy only admits students after personal or telephonic interview
- Introductory week after arrival in September
- Counselling and elaboration of subjects taught
- Individual interviews about studies and wellbeing in DK
- Follow up class meetings
- Current personal and academic counselling by International Office or Programme Manager
- Help in finding company placement
- Help to write application; also for jobs when graduating
- Career Day
- Internship dating
- Support in finding a place to live
- Newsletters about current affairs at the academy
- Erasmus support for international placement
- Counselling about continued studies after AP degree
